GALPIN MOTORS AND THE HEART FOUNDATION'S GOLF TOURNAMENT PARTNERSHIP RAISES \$1.5 MILLION TO SUPPORT HEART DISEASE RESEARCH AT CEDARS-SINAI MEDICAL CENTER

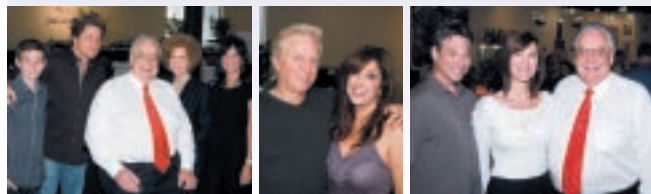

On April 27, 2010, The Heart Foundation and Galpin Motors, the number one Ford dealership in the world, held a special VIP reception to celebrate that the Galpin Motors Golf Classic Tournaments benefitting The Heart Foundation have, to date, raised \$1.5 million to support heart disease research at Cedars-Sinai Medical Center. The exclusive event took place at The Collection at Galpin Motors and was attended by Galpin Motors Owners Bert & Jane Boeckmann, Director of Cardiology at Cedars-Sinai Medical Center Dr. P.K. Shah, The Heart Foundation Chairman Mark Litman, Cedars-Sinai Medical Center Senior Vice President of Community Relations Art Ochoa and many key supporters.

"Tonight we are celebrating that, with the support of our sponsors, players and donors, the Galpin Motors Golf Classic benefitting The Heart Foundation has raised \$1.5 million dollars over seven years to fund the life-saving heart disease research of Dr. P.K. Shah at Cedars-Sinai Medical Center," said The Heart Foundation Chairman Mark Litman. "As golf tournaments do not normally net a great deal of funds, raising this amount of money in only seven years is truly an accomplishment." Dr. Shah announced at the reception that he and his colleagues are days away from obtaining permission from the FDA to begin Phase I human trials of the heart disease vaccine they have developed.

The Heart Foundation is dedicated to the awareness, prevention, early detection and treatment of heart disease, the leading cause of death for both men and women in the United States today. The organization was established in 1996 in memory of Steven S. Cohen, an incredible husband, father, son, brother and friend, who lost his life to Sudden Cardiac Death at the age of 35 with no warning signs. The foundation supports the groundbreaking cardiac research being conducted at Cedars-Sinai Medical Center under the direction of world-renowned cardiologist Dr. P.K. Shah.

This year's Galpin Motors Golf Classic will take place on Monday, October 25, 2010, at Sherwood Country Club in Thousand Oaks.

THE MANNY PACQUIAO FOUNDATION AND GOT TOYOTA, GLENDALE OR TUSTIN TOYOTA, FORM A PARTNERSHIP FOR A WORTHY CAUSE

The Manny Pacquiao Foundation and GOT TOYOTA (Glendale or Tustin Toyota) announced this week that they have formed a partnership in a cause that's closest to the Champ's heart.

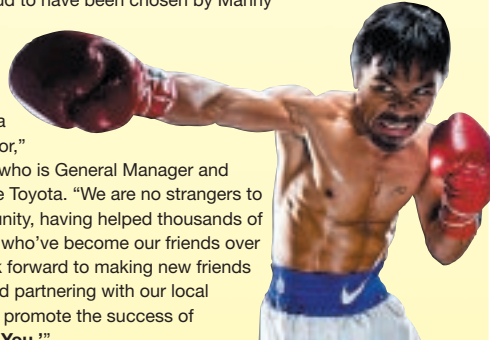

"This FIGHT's for You" (Ang Laban na Ito, Para Sa Iyo) is a program that aims to raise awareness, community partnerships and funding for the Manny Pacquiao Foundation and its anti-illiteracy programs.

Manny Pacquiao's Foundation focuses on education for the poor, deriving its mandate from the personal story of its founder Manny Pacquiao who dropped out of high school because of extreme poverty. PACMAN has since taken and passed a high school equivalency test in 2007, an experience that has driven the world's best pound for pound fighter to look back and give back to underprivileged Filipinos in the Philippines and in Filipino communities in the U.S.

"The growth of Manny Pacquiao into megastardom is nothing short of remarkable," said Anton Mazur President of the Manny Pacquiao Foundation. "He recognizes that poverty and illiteracy go hand in hand. Giving children a shot at an education can give these kids a chance and an opportunity to make a better life for themselves and their families".

UNICEF estimates that there are 5 million Filipino children under 12 years of age driven to child labor and out of schools because of extreme poverty.

"We are proud to have been chosen by Manny Pacquiao as an official member of TEAM Pacquiao, especially in such a purposeful endeavor," said Harlan Gittin, who is General Manager and Partner at Glendale Toyota. "We are no strangers to the Filipino community, having helped thousands of Filipino customers who've become our friends over the years. We look forward to making new friends and customers, and partnering with our local community to help promote the success of 'This FIGHT's For You.'"

GOT Toyota (Glendale Or Tustin Toyota) is perhaps the most recognizable auto retailer in the Los Angeles, thanks to its successful and long-running promotional campaign heard over KIIS-FM on Ryan Seacrest's Morning Show.

As Manny himself exclaimed, "May magandang track record sila sa pagiging top-notch sa customer service. Mahal pa nila ang mga Pilipino. Ganyang klaseng mga negosyante at mga tao ang choice ko".

The dealerships have long been known as "The Filipino Store", having provided the Filipino community with dedicated service and involvement for over a decade.

In addition to making donation drop off centers available at both stores, GOT Toyota stores are gearing up for "Manny Pacquiao Foundation Drives" where donations to the Foundation will be made for every new car that is sold between now and July 31st. Special awareness and fundraising projects are also being lined up in conjunction with the Manny Pacquiao Foundation events and programs.

Mark Gittin, General Manager of Tustin Toyota, is excited about the partnership. "Our new friendship and partnership with Mr. Pacquiao and the Manny Pacquiao Foundation is something that we value. We hope it will be the foundation of many endeavors that can have a major impact on underprivileged children right here in our local community and of course, in the Philippines. We encourage and invite our neighbors and friends in the Filipino community to support our joint cause - to let us help them with their car buying needs, so that we can help Manny's 'Kids'".

Toyota of Glendale is located on 1260 S. Brand Blvd. in Glendale. Their Filipino Department is headed by Liza Avisado and Edwin Yu, and reachable directly by the Filipino Hotline: 866.522.5154.

Tustin Toyota is located at 44 Auto Center Drive in the Tustin Auto Center. Tustin Toyota's Filipino Department is headed by Joey Narvadez who can be reached by the Department Hotline: 888.306.9960.
